THINK PROPERTY... THINK PRICE BROWN

PROPERTY SALES, MANAGEMENT & RENTALS

**PRICE
BROWN**
PARTNERSHIP

ESTABLISHED 1986

In a town defined by change – by shifting skylines, evolving tastes, and an ever-growing international appeal – some names don't just endure. They help define the place itself. Price Brown SL is one of them.

Founded in 1986, it was the first British-owned, fully qualified estate agency to open in Mojácar – an ambitious step at a time when the area was only beginning to emerge on the radar of overseas buyers. From a modest office beside a local bank, the company set out with a clear purpose: to bring professionalism, clarity, and trust to a market still finding its feet. As Mojácar grew, so did Price Brown – steadily, organically, and with intent.

A pivotal moment came in 1996, when the company moved to its own prominent premises on Mojácar Playa. It wasn't just a change of address; it was a statement. A sign of permanence. A reflection of a business that wasn't passing through, but putting down roots.

Four decades on, the portfolio tells a story of the region itself: whitewashed village houses steeped in traditional, frontline coastal apartments, striking contemporary homes, luxury villas, and land ready for the next chapter. But the properties are only part of the picture. What has truly defined Price Brown is the way it does business – calm, transparent, and grounded in experience.

It's a formula that has earned not just clients, but loyalty. Generations of it.

As it approaches its 40th anniversary, Price Brown stands as more than a successful estate agency. It is part of Mojácar's modern identity - trusted, established, and woven into the story of the place itself.

En un municipio definido por el cambio —por horizontes cambiantes, gustos en evolución y un atractivo internacional cada vez mayor— hay nombres que no solo perduran, sino que ayudan a definir la esencia del lugar. Price Brown SL es uno de ellos.

Fundada en 1986, Price Brown fue la primera inmobiliaria británica cualificada en Mojácar, establecida profesionalmente durante el inicio del auge inmobiliario extranjero en la zona. Desde una modesta oficina junto a un banco local, la empresa se propuso un objetivo claro: aportar profesionalidad, transparencia y confianza a un mercado que aún se estaba consolidando. La empresa creció de manera constante y orgánica junto con el desarrollo de Mojácar.

Un momento clave llegó en 1996, cuando la empresa se trasladó a sus propias y exclusivas instalaciones en Mojácar Playa. No fue solo un cambio de dirección; fue una declaración de intenciones. Una señal de permanencia. El reflejo de un negocio que no estaba de paso, sino que estaba echando raíces.

Cuatro décadas después, su cartera de propiedades narra la historia de la propia región: casas de pueblo encaladas de estilo tradicional, apartamentos en primera línea de playa, impresionantes viviendas de diseño contemporáneo, villas de lujo y terrenos listos para escribir su próximo capítulo. Pero las propiedades son solo una parte de la historia; lo que realmente define a Price Brown es su forma de trabajar: con calma, transparencia y la solidez que da la experiencia.

Es una fórmula que no solo ha ganado clientes, sino lealtad. Y lo ha hecho a lo largo de generaciones.

Al acercarse a su 40.º aniversario, Price Brown es mucho más que una inmobiliaria de éxito: forma parte de la identidad moderna de Mojácar. Una marca de confianza, consolidada e integrada en la propia historia del lugar.
